No Citizen's Business

Commission Business:

Commissioners' signatures were added to the finalized Rules of the Commission document. The remaining signatures will be gathered from absent Commissioners.

A short discussion regarding the zoning requirements for treatment facilities was held. Members of the Commission were reminded that zoning determines what type of structures and uses are appropriate for specific areas in a city. The City cannot discriminate or single out one type of business over another as long as the zoning allows for businesses of that nature.

Adjournment:

There being no further business, Commissioner Schimmel adjourned the meeting at 6:07 pm.

Gary Schimmel, Planning Commission Chair

Respectfully submitted: Julie Douglas, Department Assistant
