

TOPIC OF DISCUSSION: Exploratory Workshop

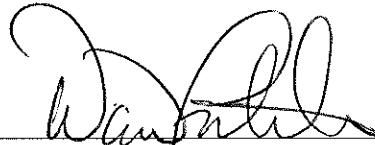

Mayor David Futcher called the Special Meeting to order. Councilmembers in attendance were: Futcher, Webb, Roberson, Schimmel, Myers, McDaniel, and Karnofski.

City Staff present: Finance Director Brian Butterfield, Community Development Director Mike Kerins, Public Works Director David Sypher, Library Manager Cindy Donaldson, and Deputy City Clerk Carol Bradbury.

Mayor Futcher displayed on the overhead the 2009-2010 Goals that were discussed at a workshop in July of 2009. He opened the discussion by asking Councilmembers what changes or additions they would like to make. Several additions were made to the list, each followed by a brief discussion. Councilmembers voted on each topic to see which goals the majority wanted to pursue during the next year. Lengthy discussion followed.

Mayor Futcher prioritized the goals by the number of votes each one received. Ideas receiving less than four votes were not included. Mayor Futcher will send each Councilmember a copy of the final list of sixteen goals they will pursue during the next year.

The Special Workshop was adjourned at 7:00 p.m.
