

NUISANCE ABATEMENT REQUEST FORM

City of Kelso • Community Development • Nuisance Abatement
Mike Meier • mmeier@kelso.gov • 360-577-3315

Community Development is currently addressing issues related to public health and safety as it pertains to nuisances for both residential and commercial properties. Nuisances may include but are not limited to, inoperable and unlicensed vehicles, tall grass, garbage/debris, substandard structures, abandoned signs, and vacant residential and commercial buildings.

HOW TO REPORT

In order to properly investigate complaints in a timely manner, we need accurate information (site address, specific issue, etc.). Without this critical information, unnecessary delays result as staff searches for the needed information. Most importantly, we need to contact the complainant and the property owner.
